\*\*\*\*\***SPECIAL PENSION INFORMATIONAL MEETING**\*\*\*\*\*

Pension Plan Participant's:

Pipe Trades Services MN has scheduled 3 dates in **January 2020** for informational meetings related to transitioning from the current Defined Benefit structure to a Variable Annuity Pension Plan (VAPP). The specific form of VAPP PTSMN is migrating to is known as a Sustainable Income Plan (SIP). These meetings are open to all active participants regardless of their location; seating will be on a first come first serve basis. We encourage all participants attending to invite their spouse to better educate everyone of what this transition will mean. These meetings will be attended by the fund office staff as well as other plan professionals. We encourage all membership to attend with the understanding that we cannot plan for an excess number of participants at any given location. If there is in fact greater demand than anticipated we will add future dates and locations. THIS CHANGE WILL HAVE **NO EFFECT ON RETIRED PARTICIPANTS**
