Dear Employer,

New signatory contractors must complete the “New Contractor Form” prior to submitting fringe benefit payments to the Pipe Trades Services MN.

Question #9 on the form, which asks you to check whether you are a member of the Minnesota Mechanical Contractors Association (MMCA) or the Plumbing, Heating and Cooling Contractors Association (PHCC) was not answered.

Even if you are not a member of either Association, you must designate an Association to receive the hourly industry fund contributions to be paid under the terms of the collective bargaining agreements. If you would like additional information prior to answering this question feel free to contact the Associations directly. Contact information for both associations follows:

PHCC	MMCA
Piping Industry Development Council Broadway Place West, Suite 2650 1300 Goodward Street NE Minneapolis, MN 55413 612-290-4742	Minnesota Mechanical Contractors Association 830 Transfer Road Saint Paul MN 55114 651-646-2121
Executive Director – Luther Westman	Executive Vice President – Steve Pettersen

Important note: This election does not apply to any employees that are members of Pipefitters Local #455, as Local #455 only has a contract with MMCA.

Please make a selection for question #9 and return the completed form to the Pipe Trades Services MN If you have additional questions regarding this matter please contact the PTSMN office.

Sincerely,
Pipe Trades Services MN
